DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 7/10/2006 has been entered.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 7/10/2006 was filed after the mailing date of the Notice of Allowance on 4/13/2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has been considered by the examiner.

Allowable Subject Matter

3. Claims 1-7, 9-16 and 18-21 (now renumbered 1-19 respectively) are allowed.
4. The following is an examiner's statement of reasons for allowance: With respect to independent **claims 1, 10 and 20** the prior art teaches transforming sub-sampled color images from a first color space to a second color space and upscaling the image of a second color space. The prior art also teaches the use of inverse discrete wavelet

transform with images decomposed into subbands. However, the prior art does not teach or fairly suggest transforming a color image from a first color space to a second color space and upscaling at least one color plane of the transformed image by applying an inverse discrete wavelet transform to provide a full color image in the second color space.

5. **Claims 2-7, 9, 11-16, 18, 19 and 21** are allowable for at least the reason that they depend from allowable **claims 1, 10 and 20**.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
